Customer management

Main Functionality
of Back Office Tool

Manual driver creation
via Helpdesk

The screenshot shows a web application interface for adding a driver. The top navigation bar includes a 'P' logo and links for Parkings, Rates, Drivers (active), Fines, Controllers, Users, and Reports. The user 'Emily Watson' is logged in. The 'Add Driver' form contains the following fields:

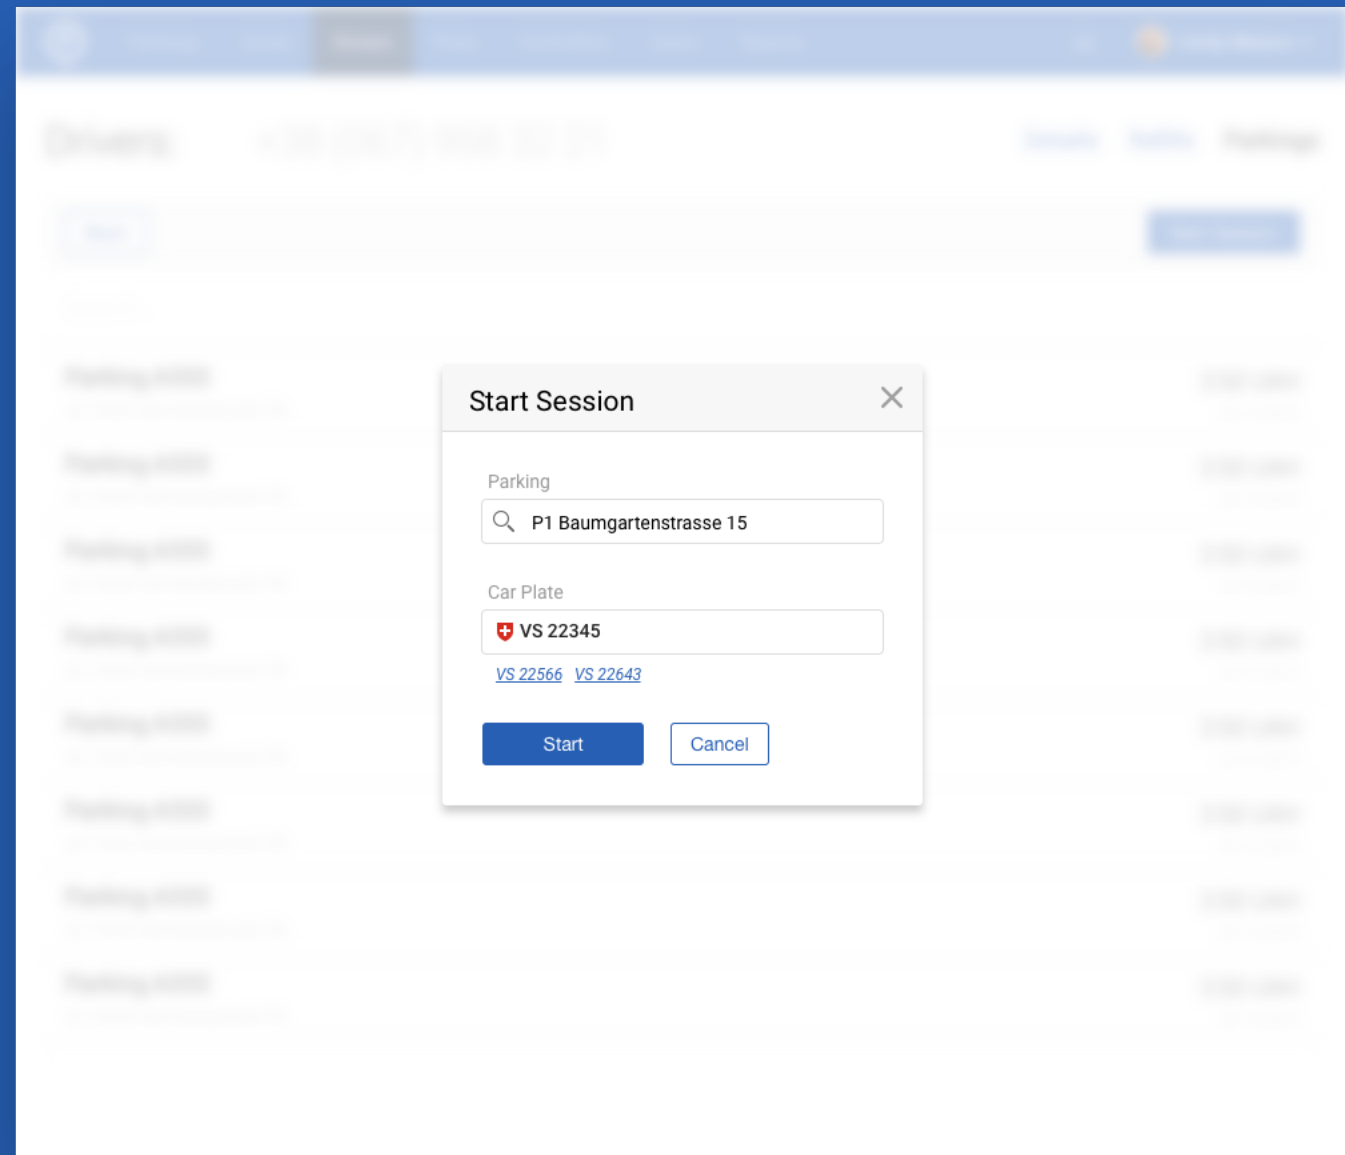

- Phone ***: +41583361777
- First Name**: Christoph
- Email**: Blocher@gmail.com
- Last Name**: Blocher
- Cars**: VS 22345, VS 54115, and a placeholder 'Add Number and press Enter'.

Buttons for 'Save' and 'Cancel' are located at the top of the form.
